### **AGENDA ITEMS:**

#### 2008 Conference – Sunriver, April 20-24 – Update:

Registration information has been distributed to members. The on-line registration should be up and running within the week. Mary will forward registration information to partner associations for postings. Exhibitor and sponsorship information has been sent. We currently have one gold sponsor (Peterson) and one bronze sponsor (Wal-Mart). There are still a few speakers that need to be confirmed.

MISSION STATEMENT: OEMA is a statewide association of individuals who share an interest in the emergency management profession and is committed to minimizing the impact of disasters on communities throughout Oregon.

Bob Maca is handling the pre-conference training. Assignments were made for several parts of the conference still underway.

Website Discussion:

The Board is reviewing the website and the various vendors used for different aspects including, hosting, maintaining and updating the site and the financial on-line piece. There may be an opportunity to consolidate these functions with one vendor.

Legislative Activity:

The Board will be presenting Senator Verger, with a plaque for her service and commitment as co-chair of the Legislative Committee on Emergency Preparedness and Ocean Policy later today at the Capitol. Mike Mumaw will also be testifying before the Legislature later today regarding the Association's concerns with HB 3626. West Consulting continues to monitor legislative activity and provide reports to the Board and OEMA Legislative Committee.

Strategic Plan:

Mike would like the Strategic Planning Committee and Board to meet to review and update the plan. A retreat will be planned following the conference.

There was no further business. The meeting was adjourned at 1:00 p.m.

Respectfully submitted,

Mary Davis  
Secretary
