Committee News:

Jeff reported the E-Board will be working toward invigorating OEMA Committees in the coming months. Committee work is a benefit to our members and can only succeed with the involvement of our members.

The Strategic Planning Committee will be circulating a survey soon. Please take a few moments to provide your feedback.

The Membership and Marketing Committee met during the last quarter. The group distributed a recommendation for providing complimentary memberships to various individuals. This was an effective marketing tool with the business sector. Jeff agreed the proposal has potential and the E-Board will discuss it at their next meeting. The proposal will be presented to the membership at the December meeting.
