

# Oregon Emergency Management Association

**Executive Board Meeting  
June 21, 2007  
Aloha, Oregon**

**Members Present:**

|             |                       |
|-------------|-----------------------|
| Mary Davis  | Secretary             |
| Rose Gentry | President             |
| Tom Manning | President Elect (7/1) |
| Mike Mumaw  | President Elect       |

---

President Rose Gentry called the meeting to order at 9:00 a.m. Rose passed the gavel to Mike Mumaw to assume the duties of OEMA President, effective July 1.

**State Debris Management Plan:**

Rose asked the Board for a possible OEMA liaison to sit on the State Debris Plan committee. The Board made some suggestions of members that might fill this role. Rose will follow-up.

**2007/08 Meeting Calendar:**

The Board scheduled future E-Board and membership meetings. The calendar will be posted on the OEMA website.

**2007 Conference Wrap Up:**

Mike and Tom will schedule a meeting to discuss conference chair responsibilities and follow-up activities. The Board scheduled a conference committee meeting for November 21 to begin planning the 2008 conference at Sunriver.

**Legislative Issues:**

The Board discussed extending the services of West Consulting following the legislative session. Several ideas have been discussed including meeting with congressional and senate leaders, working on a marketing brochure for OEMA and taking over some of the administrative duties. The Board will discuss these ideas further at the July Board meeting.

**2008 Conference – Sunriver:**

The Board scheduled an E-Board meeting in Bend on August 29. At that time we will tour the conference facility at Sunriver. A conference committee meeting is scheduled for November.

## Oregon Emergency Management Association

Guest Speaker – Briawna Clerici, EMRG Portland:

EMRG Portland is a local radio marketing company. The group is interested in marketing preparedness information to the public and is looking for sponsors. The marketing audience is along the I-5 corridor to Albany. The Board felt that REMTEC (the regional emergency management committee in the Portland/Metro area) would be the best place for a future presentation. Mike will coordinate this effort.

Draft Bylaws Update:

The Board reviewed the changes proposed by the Bylaws Committee. Please send any comments to Mike regarding student membership and liaison responsibilities. Mike will forward to the Bylaws Committee.

There was no further business. The meeting was adjourned at 1:00 p.m.

Respectfully submitted,

Mary Davis  
Secretary
